Hello Ms.Horn,

My name is Craig Marks, City councilman in Lake Charles LA. I just got off the phone with you in regards to submitting proof of the actual date of sending my Campaign Finance report in order to be considered for a waiver of the late fees. Enclosed is the original shipping label with the original date and time shipped.FedEx failed to put the suite number on the original shipment which caused it to be returned. Therefore I had to resend the documents, which by that time caused my filing to be late. I hope that this will be sufficient to prove the reasoning for my late filing.

Hello Michele,

My name is Craig Marks and I am a candidate for City Council, District F, in Lake Charles. I spoke with you in regards to my campaign docs being delayed due to FedEx saying that the suite number was not included in the address. Here is the documentation from FedEx showing the package was attempted to be delivered but was sent back. I shipped the docs back to you on today. Could you please let me know that you received this.
